Overview

Registration involves Filipinos and resident aliens providing the prescribed demographic and biometric data to a registration officer using a registration kit at a PhilSys Fixed Registration or Mobile Registration Center, in order to be included in the PhilSys and to be allotted a PSN and other credentials. Applicants who have pre-registered can provide their pre-registration reference number to retrieve their demographic data from their earlier submission. The process involves validating the demographic data provided against supporting evidence (e.g. IDs or an introducer) on the front-end (i.e. by a registration officer) and de-duplication of the applicant against the records of registered persons on the back-end. Supporting evidence is scanned and recorded for audit purposes, and may be subject to cross referencing against source data (e.g. passport records at DFA). A transaction number and slip for the registration is provided to the applicant so they can track the status.

Demographic details:

- In Home click on “New Registration”, it will lead to “Demographic details” page. Provide the necessary/valid details and click on “Continue” button.

The screenshot shows a web application interface for 'Demographic Details'. The top navigation bar includes a user profile icon, the ID '110011 110011', the location 'PSA Ilocos Sur', a device icon with '10001', and a 'System Online' status. The main header shows the breadcrumb 'Home / New Registration' and the active tab 'Demographic Details'. Below the header, there are links for 'Upload Documents', 'Biometric Details', and 'Authentication'. The form area contains a 'Fetch Data' button, a 'Language - English' section, a 'Registration Type (Mandatory)' dropdown set to 'Document-based', and input fields for 'First Name (Mandatory)' (containing 'test'), 'Middle Name', 'Last Name', and 'Suffix'. There is a 'Sex (Mandatory)' section with 'Male' and 'Female' radio buttons. At the bottom, there is a 'Date of Birth (Mandatory)' field. A 'CONTINUE' button is located at the bottom right of the form.

***Note:** For Special Characters, try ASCII shortcut in keyboard.

For Ex: To enter special character like “-”, “Ñ”, “ñ”

“Ñ” Hold Alt & enter 165 then release Alt [in number key pad]

“ñ” Hold Alt & enter 164 then release Alt [in number key pad]

“-” Hold Alt & enter 45 then release Alt [in number key pad]

➤ Successful “Thumb” impression status

The screenshot displays the 'Biometric Details' section of a registration system. On the left, a vertical strip shows a sequence of images: two eyes, four fingerprints, and two face photos, each with a green checkmark. The main area is titled 'Applicant Biometrics' and 'Thumbs'. It features a central image of two thumbs being scanned, a 'Scan' button, and a 'Mark Biometric Exceptions' icon. Below this, a table shows the following data:

Threshold	Quality
60%	74%
Positive Attempts	Exceptions
1	
Left Thumb - 74%	Right Thumb - 74%

At the bottom, a progress bar indicates the quality score of 74% against a 60% threshold. The 'Positive Attempts' section shows three attempts, with the first one highlighted. A 'Capture time' label is also present. Navigation buttons for 'BACK' and 'CONTINUE' are at the bottom.

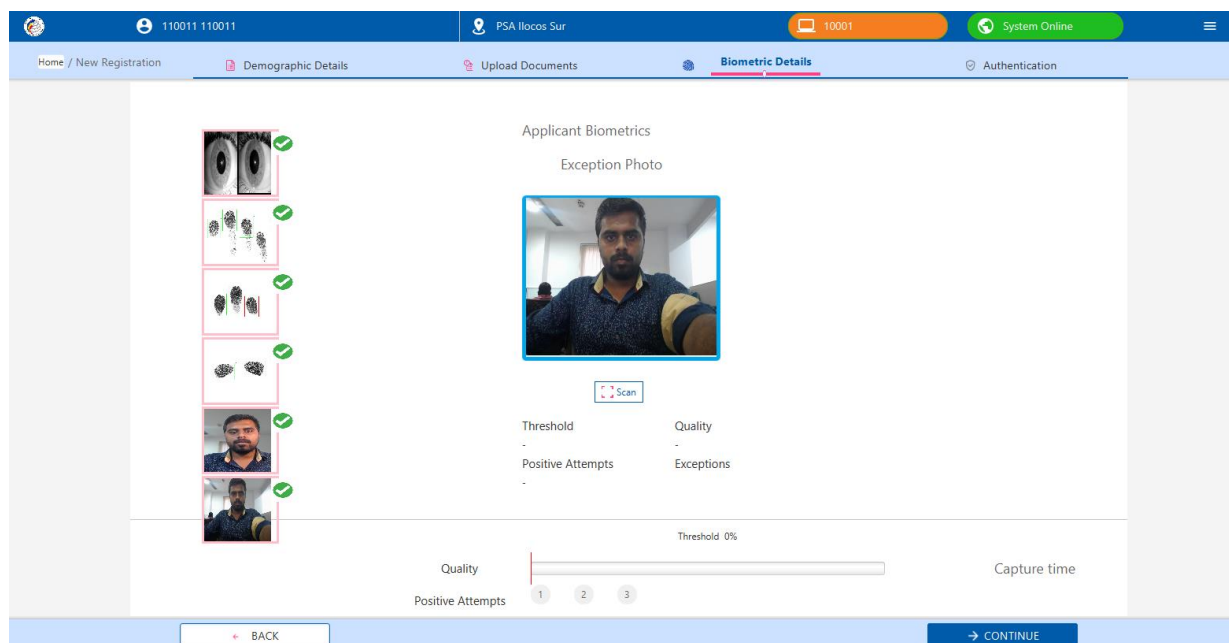

➤ “Face Capture” Successful Image

The screenshot displays the 'Biometric Details' section of a registration system, specifically the 'Face' capture step. On the left, a vertical strip shows a sequence of images: two eyes, four fingerprints, and two face photos, each with a green checkmark. The main area is titled 'Applicant Biometrics' and 'Face'. It features a central image of a man's face being scanned, a 'Scan' button, and a 'Mark Biometric Exceptions' icon. Below this, a table shows the following data:

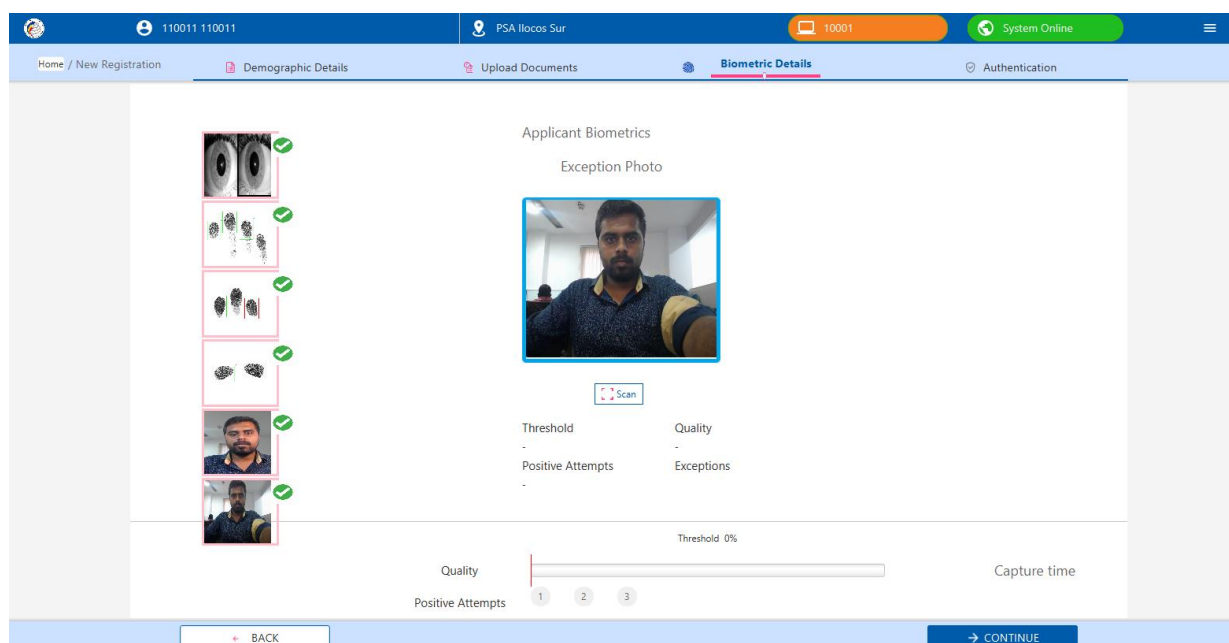

Threshold	Quality
40%	41%
Positive Attempts	Exceptions
3	

At the bottom, a progress bar indicates the quality score of 41% against a 40% threshold. The 'Positive Attempts' section shows three attempts, with the first one highlighted. A 'Capture time' label is also present. Navigation buttons for 'BACK' and 'CONTINUE' are at the bottom.

- In case if any Residence Finger/Iris is abnormal, then the particular user/Resident has to give the Exception image(Image with Full Face & two hands) at the end of Biometric Process likewise below image.

- If all the Biometrics Details are given, then the Page Looks like below. Complete Biometric Details Captured Picture.

Authentication:

After Registration completed, Authentication Page will appear. Here operator needs to acknowledge his/her Credentials.

The screenshot shows a web application interface for authentication. The top navigation bar is blue and contains the following elements: a logo on the left, a user profile icon and name '110012 110012', a location icon and name 'Center Souissi', a status icon and name '10003', and a 'System Online' indicator. Below the navigation bar is a horizontal menu with five items: 'Home / New Registration', 'Demographic Details', 'Upload Documents', 'Biometric Details', and 'Authentication' (which is highlighted with a red underline). The main content area is white and has the title 'Authentication using Password' in blue. It contains two input fields: the first is labeled '110012' and the second is labeled '*****'. At the bottom of the page, there is a blue bar with two buttons: 'BACK' and 'CONTINUE'.

After proving the Password for Authentication, Operator needs to provide the Biometric Finger Print as below who has done the on-boarding process.

The screenshot shows a web application interface for authentication using fingerprints. The top navigation bar is blue and contains the following elements: a logo on the left, a user profile icon and name '110011 110011', a location icon and name 'PSA Ilocos Sur', a status icon and name '10001', and a 'System Online' indicator. Below the navigation bar is a horizontal menu with five items: 'Home / New Registration', 'Demographic Details', 'Upload Documents', 'Biometric Details', and 'Authentication' (which is highlighted with a red underline). The main content area is white and has the title 'Authentication using fingerprints' in blue. It contains a text input field labeled '110011'. To the right of the input field, the word 'Attempts' is displayed. Below the input field, there is a graphic of a hand with fingers spread, and the text 'Place your finger on the scanner'. Below this graphic is a blue button labeled 'Scan'. At the bottom of the page, there is a blue bar with two buttons: 'BACK' and 'CONTINUE'.
